Re: Request to Negotiate 2012 Successor Agreement to the Collective Bargaining Agreement in the Event Health Insurance Plans Change – Standing Request to Negotiate Layoffs and Reductions in Hours

Dear Ms. Whittaker:

As per Article 13, this letter constitutes written notice of the desire of the California School Employees Association and its Chapter 180 (CSEA) to amend and/or modify the current 2010-2012 Collective Bargaining Agreement, expiring June 30, 2012.

CSEA requests to negotiate any pending or future layoffs or reductions in hours that the Palo Verde Community College District (District) may be contemplating as part of cost savings measures in response to the fiscal crisis at the college; and/or in response to the 2012-2013 California State Budget. Specifically, CSEA requests to negotiate the effects and/or mitigation of any future District decision to layoff classified workers; CSEA further requests to negotiate both the decision and effects of any future reduction in hours and/or work year, including both occupied and vacant positions.

Sincerely,

CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION
