Depending on the service selected, the pest management plan may include the utilization of pesticide products, mechanical devices, and exclusionary materials. At the end of each visit, the service technician will provide the customer with a service ticket that outlines his/her findings and actions taken. Truly Nolen realizes that any successful pest management program is based on a true partnership between the customer and his/her Truly Nolen team.

If the customer selected an annual pest management plan, he/she may receive written sanitation reports regularly or on an as-needed basis to help him/her stay on top of cleanliness and maintenance issues that may affect the overall pest situation in the customer's commercial environment. For the customer's convenience, his/her account information can be accessed on-line at https://trulyaccess.trolen.com. Please contact the account representative or local branch office to activate this complimentary service.

Customer's Initials ____

Terms of Agreement This agreement covers area(s) as defined within the original scope of work as indicated in the accepted proposal and/or this agreement and the terms & conditions for this service as indicated on the reverse side of this agreement. By the presence of his/her initials, the customer acknowledges that he/she has read, understands, and agrees to the stated terms & conditions. Truly Nolen reserves the right to reject the submitted proposal unless accepted within 30 days from the date of inspection.

Disclaimer This agreement does not cover any structural interior, exterior, or contents damage that has and may occur as a result of the pest infestation. Truly Nolen is not liable for any claims of personal injury or other bodily harm that may result from pest activity on the property. Truly Nolen is not responsible for any claim(s) that a pest was transported from the customer's location to another location, resulting in a secondary infestation. Truly Nolen may subcontract any or all of the work herein described.

Warning Pesticides can be harmful. Keep children and pets away from pesticide applications until dry, dissipated, or aerated. Any person sensitive to chemicals should check with his/her physician before treatment. Truly Nolen will provide technical information about products used upon the customer's request.

Commercial Terms, Conditions, & Guarantees by Service Type

- Below are Truly Nolen's guarantees, including that for the service(s) you are purchasing today. Please take a moment to review this information. If you have any questions, please contact your inspector or the branch manager serving your area.

Truly Nolen guarantees your satisfaction. We provide complimentary callbacks with a guaranteed 24 hour response time should your pest issue persist between routine service intervals. If there is a problem with any part of your service, the technician will continue to service your property at no extra charge until you are satisfied. We guarantee your satisfaction, or you will be issued a full credit for your last scheduled service (not applicable to special services or monitoring programs). Truly Nolen reserves the right to reject the submitted proposal unless accepted within 30 days from inspection date.

Annual agreements are in effect for a twelve month period for the covered area(s) and/or structures as defined in the original scope of work, while **Seasonal agreements** cover the area(s) and/or structures as defined in the original scope of work for a specific portion of the year.

The following service types provide a monthly service program. Unless written notice is provided by either party thirty days prior to the anniversary date of the agreement, this contract automatically renews on a month-to-month basis.

- **Truly Progressive Commercial Pest Program**
- **Truly Progressive Commercial Exterior Only Pest Program**
- **Truly Progressive Restaurant Pest Management Program**
- **Commercial Stored Product Pests Program**
- **Commercial Exterior Rodent Baiting Program**

The following service types provide a monthly service program. These fly reduction programs do not guarantee the elimination of all flying pests. Unless written notice is provided by either party thirty days prior to the anniversary date of the agreement, this contract automatically renews on a month-to-month basis.

- **Commercial Fly Control Program**
- **Commercial Fruit Fly Control Program**

Other service types in this category include:

Preventative Bee Monitoring Solutions - Scout or Swarm Trap Placement & Monitoring A quarterly service program. If a bee hive appears on the property, it is covered under this quarterly service plan at no additional cost for the duration of this agreement. Unless written notice is given by either party thirty days prior to the anniversary date of this agreement, this contract automatically renews on a quarterly basis.

Commercial Mosquito Mitigation Program A seasonal service program. While Truly Nolen can significantly impact a mosquito population, it cannot promise that the customer will never again experience another mosquito bite, or that a customer or employee will never be infected with a mosquito-borne disease. With this control program, it is Truly Nolen's goal to reduce the customer's mosquito population by 75%. Unless written notice is provided by either party thirty days prior to the anniversary date of this agreement, this contract automatically renews on a seasonal basis.

Special services have a limited guarantee from the date of the initial service and for the covered area(s) only as defined in the original scope of work. If there is a problem with any part of the service during the guarantee period, then Truly Nolen will continue to service the covered affected area(s) at no extra charge until the infestation is under control.

A 30 day guarantee for the affected area is provided with the following service types:

- **Bee Swarm Elimination**
- **Flea or Tick Control Special Service**
- **Rodent Trapping and Removal Only**

The following special service types are guaranteed for one year, covering re-infestation, workmanship, and materials within the original scope of work. If the initial exclusion efforts fail during the guarantee period, then Truly Nolen will inspect and repair or replace damaged materials at no additional charge. If the structure is re-infested during the guarantee period due to damaged or defective exclusion materials, then Truly Nolen will render services needed to control the infestation (e.g., trapping, etc) at no additional charge.

- **Rodent Trapping and Exclusion Program**
- **Rodent Trapping, Exclusion, Nest Removal, & Remediation**

The following special service types are guaranteed for 30 days. These reduction programs do not guarantee the elimination of all flying insects.

- **Fly Control Special Service**
- **Fruit Fly Control Special Service**

Bee Extermination and Hive Removal This special service is guaranteed for 30 days. Note that, after a bee colony is eliminated, the hive or honey comb will begin to degrade and melt. Truly Nolen recommends that it be removed so that the decaying process does not damage the structure and attract other pests. If the hive is readily accessible without the need for structural alterations to the building, then Truly Nolen will remove the hive as part of the colony extermination price. If the hive is not accessible, then it is the responsibility of the owner/manager to engage a contractor to perform needed alterations in order to access the hive and make repairs to the structure after the hive is removed. Truly Nolen is not responsible for the costs associated with the removal of the hive or any damage or subsequent infestation(s) that may result from the owner/manager's failure to remove the hive in a timely manner.

Other special service types are:

Bird Control Special Service This special service is guaranteed for 30 days. Includes repairs to any defective or failing control measures at no additional cost to the customer. Note: Re-infestations due to intentional damage (vandalism) or removal of control measures may result in an additional charge.

Fire Ant Special Service This special service when using Top Choice or a similar product is guaranteed for one year.

Monitoring Program after Bird Control Service This monitoring program extends the 30 day special service guarantee on a covered structure and/or property. Monitoring coverage must be enacted during the special service guarantee period to provide consecutive pest coverage. Inspections are done quarterly. If repairs are needed due to damaged or failing control measures, they will be made at no additional cost to the customer. If there is a problem with any part of the service during the guarantee period, then Truly Nolen will continue to service the customer's property at no extra charge until the infestation is under control. Note: Re-infestation due to intentional damage (vandalism) or removal of control measures may result in an additional charge. At the end of the monitoring guarantee period, the customer can renew the agreement at a prescribed annual rate. Payment of a renewal re-establishes the guarantee as provided for in the first year. Subsequent renewal periods may be offered to the customer at a rate to be determined.

Payment Terms and Conditions Invoices are due upon receipt.

INTEREST ON UNPAID AMOUNT A late payment fee of 1% per month (12% per year) will be charged on any unpaid balance that remains on the account for more than 60 days and continue until said amount is paid in full. Note that interest accrued is added to the principal amount.

ELECTRONIC FUNDS TRANSFER NOTICE When Buyer provides a check as payment, he/she authorizes Truly Nolen of America, Inc. to either use the check information to make a one-time electronic funds transfer from Buyer's account or to process the payment as a check transaction. When Truly Nolen uses information from the check to make an electronic transfer, funds may be withdrawn from the Buyer's account as soon as the same day that payment was received, and Buyer will not receive his/her check back from the financial institution. For inquiries, please call the company phone number on the front of the contract.

COLLECTION FEES & RETURNED PAYMENTS If agreed upon terms are not met, Buyer agrees to pay all reasonable attorney's fees and court costs, in addition to any other necessary collection fees. Buyer agrees to pay a $20.00 fee (or maximum allowed by law) for any returned payments. Pursuant to the terms stated above when making a payment by check, Buyer authorizes Truly Nolen of America, Inc. to debit his/her account for the original amount plus the fee outlined above.

It is mutually agreed that any dispute under the terms of the agreement shall be submitted on an individual basis to arbitration pursuant to the rules of the American Arbitration Association. Arbitration shall take place in or near to the county and state in which the Truly Nolen branch office that provides the services described in this Agreement is located.

The Buyer may cancel this transaction at any time for any reason or no reason prior to midnight of the third business day after that date listed on this transaction and Truly Nolen shall issue a refund to Buyer provided that Truly Nolen has not commenced work. By signing this agreement, Buyer acknowledges that he/she has read and understands the applicable guarantee and terms that appear on this agreement.

Commercial Terms, Conditions, & Guarantees by Service Type

✓ Below are Truly Nolen's guarantees, including that for the service(s) you are purchasing today. Please take a moment to review this information. If you have any questions, please contact your inspector or the branch manager serving your area.

Truly Nolen guarantees your satisfaction. We provide complimentary callbacks with a guaranteed 24 hour response time should your pest issue persist between routine service intervals. If there is a problem with any part of your service, the technician will continue to service your property at no extra charge until you are satisfied. We guarantee your satisfaction, or you will be issued a full credit for your last scheduled service (not applicable to special services or monitoring programs). Truly Nolen reserves the right to reject the submitted proposal unless accepted within 30 days from inspection date.

Annual agreements are in effect for a twelve month period for the covered area(s) and/or structures as defined in the original scope of work, while **Seasonal agreements** cover the area(s) and/or structures as defined in the original scope of work for a specific portion of the year.

The following service types provide a monthly service program. Unless written notice is provided by either party thirty days prior to the anniversary date of the agreement, this contract automatically renews on a month-to-month basis.

- **Truly Progressive Commercial Pest Program**
- **Truly Progressive Commercial Exterior Only Pest Program**
- **Truly Progressive Restaurant Pest Management Program**
- **Commercial Stored Product Pests Program**
- **Commercial Exterior Rodent Baiting Program**

The following service types provide a monthly service program. These fly reduction programs do not guarantee the elimination of all flying pests. Unless written notice is provided by either party thirty days prior to the anniversary date of the agreement, this contract automatically renews on a month-to-month basis.

- **Commercial Fly Control Program**
- **Commercial Fruit Fly Control Program**

Other service types in this category include:

Preventative Bee Monitoring Solutions - Scout or Swarm Trap Placement & Monitoring A quarterly service program. If a bee hive appears on the property, it is covered under this quarterly service plan at no additional cost for the duration of this agreement. Unless written notice is given by either party thirty days prior to the anniversary date of this agreement, this contract automatically renews on a quarterly basis.

Commercial Mosquito Mitigation Program A seasonal service program. While Truly Nolen can significantly impact a mosquito population, it cannot promise that the customer will never again experience another mosquito bite, or that a customer or employee will never be infected with a mosquito-borne disease. With this control program, it is Truly Nolen's goal to reduce the customer's mosquito population by 75%. Unless written notice is provided by either party thirty days prior to the anniversary date of this agreement, this contract automatically renews on a seasonal basis.

Special services have a limited guarantee from the date of the initial service and for the covered area(s) only as defined in the original scope of work. If there is a problem with any part of the service during the guarantee period, then Truly Nolen will continue to service the covered affected area(s) at no extra charge until the infestation is under control.

A 30 day guarantee for the affected area is provided with the following service types:

- **Bee Swarm Elimination**
- **Flea or Tick Control Special Service**
- **Rodent Trapping and Removal Only**

The following special service types are guaranteed for one year, covering re-infestation, workmanship, and materials within the original scope of work. If the initial exclusion efforts fail during the guarantee period, then Truly Nolen will inspect and repair or replace damaged materials at no additional charge. If the structure is re-infested during the guarantee period due to damaged or defective exclusion materials, then Truly Nolen will render services needed to control the infestation (e.g., trapping, etc) at no additional charge.

- **Rodent Trapping and Exclusion Program**
- **Rodent Trapping, Exclusion, Nest Removal, & Remediation**

The following special service types are guaranteed for 30 days. These reduction programs do not guarantee the elimination of all flying insects.

- **Fly Control Special Service**
- **Fruit Fly Control Special Service**

Bee Extermination and Hive Removal This special service is guaranteed for 30 days. Note that, after a bee colony is eliminated, the hive or honey comb will begin to degrade and melt. Truly Nolen recommends that it be removed so that the decaying process does not damage the structure and attract other pests. If the hive is readily accessible without the need for structural alterations to the building, then Truly Nolen will remove the hive as part of the colony extermination price. If the hive is not accessible, then it is the responsibility of the owner/manager to engage a contractor to perform needed alterations in order to access the hive and make repairs to the structure after the hive is removed. Truly Nolen is not responsible for the costs associated with the removal of the hive or any damage or subsequent infestation(s) that may result from the owner/manager's failure to remove the hive in a timely manner.

Other special service types are:

Bird Control Special Service This special service is guaranteed for 30 days. Includes repairs to any defective or failing control measures at no additional cost to the customer. Note: Re-infestations due to intentional damage (vandalism) or removal of control measures may result in an additional charge.

Fire Ant Special Service This special service when using Top Choice or a similar product is guaranteed for one year.

Monitoring Program after Bird Control Service This monitoring program extends the 30 day special service guarantee on a covered structure and/or property. Monitoring coverage must be enacted during the special service guarantee period to provide consecutive pest coverage. Inspections are done quarterly. If repairs are needed due to damaged or failing control measures, they will be made at no additional cost to the customer. If there is a problem with any part of the service during the guarantee period, then Truly Nolen will continue to service the customer's property at no extra charge until the infestation is under control. Note: Re-infestation due to intentional damage (vandalism) or removal of control measures may result in an additional charge. At the end of the monitoring guarantee period, the customer can renew the agreement at a prescribed annual rate. Payment of a renewal re-establishes the guarantee as provided for in the first year. Subsequent renewal periods may be offered to the customer at a rate to be determined.

Payment Terms and Conditions Invoices are due upon receipt.

INTEREST ON UNPAID AMOUNT A late payment fee of 1% per month (12% per year) will be charged on any unpaid balance that remains on the account for more than 60 days and continue until said amount is paid in full. Note that interest accured is added to the principal amount.

ELECTRONIC FUNDS TRANSFER NOTICE When Buyer provides a check as payment, he/she authorizes Truly Nolen of America, Inc. to either use the check information to make a one-time electronic funds transfer from Buyer's account or to process the payment as a check transaction. When Truly Nolen uses information from the check to make an electronic transfer, funds may be withdrawn from the Buyer's account as soon as the same day that payment was received, and Buyer will not receive his/her check back from the financial institution. For inquiries, please call the company phone number on the front of the contract.

COLLECTION FEES & RETURNED PAYMENTS If agreed upon terms are not met, Buyer agrees to pay all reasonable attorney's fees and court costs, in addition to any other necessary collection fees. Buyer agrees to pay a $20.00 fee (or maximum allowed by law) for any returned payments. Pursuant to the terms stated above when making a payment by check, Buyer authorizes Truly Nolen of America, Inc. to debit his/her account for the original amount plus the fee outlined above.

It is mutually areed that any dispute under the terms of the agreement shall be submitted on an individual basis to arbitration pursuant to the rules of the American Arbitration Association. Arbitration shall take place in or near to the county and state in which the Truly Nolen branch office that provides the services described in this Agreement is located.

The Buyer may cancel this transaction at any time for any reason or no reason prior to midnight of the third business day after that date listed on this transaction and Truly Nolen shall issue a refund to Buyer provided that Truly Nolen has not commenced work. By signing this agreement, Buyer acknowledges that he/she has read and understands the applicable guarantee and terms that appear on this agreement.
