RE: Memorandum of Understanding/Transportation of Auto/Welding Students

Dear Denise,

This letter will serve as an agreement for the 2012-2013 and 2013-2014 academic year regarding the bussing of students from the Palo Verde Valley High School to the Palo Verde College campus for the purpose of attending courses in Autos and Welding, whereby:

1. PVUSD will provide bus transportation for student for the Palo Verde Valley High School to and prom Palo Verde College's campus for the purpose of attending the courses toward their high school education credits. This agreement is based on daily transportation while classes are in session.

2. PVUSD will bill the college $120.00 per day for transportation services. This billing will be on a monthly basis in arrears.

3. The balance of the costs will be the responsibility of PVUSD.

4. This agreement can extend for an additional 5 years if both parties are in agreement. Either party can terminate the agreement with a 60 days notice.

As always, we enjoy working with you and the college for the benefit of our students and the community. Thank you for your cooperation.

Sincerely,

Bob Bilek
Acting Superintendent
