FROM: Ned Hyduke II

SUBJECT: Application for Provisional Appointment to the Palo Verde Community College District Board Of Trustees, Area 1 (Letter of Interest).

I was born in Blythe in 1959 and raised in the Palo Verde Valley. I attended Ripley Elementary School, Blythe Middle School and graduated from Palo Verde High School in 1977. After graduation I attended Ricks College in Rexburg, Idaho for one semester before returning to Blythe to prepare for a mission for the Church of Jesus Christ of Latter Day Saints. In April 1979, I was assigned to the England, London Mission for the Church of Jesus Christ of Latter Day Saints where I lived and worked for the next two years. As a missionary my responsibilities were to teach people about the church. During that time I was also a manager over several other missionaries in different districts and zones. I was in charge of training and accountability of all the missionaries assigned to these districts and zones. Upon my return to the United States I was hired as a Police Officer for Blythe Police Department. Over the next 30 years I worked for a total of three different law enforcement agencies concluding my career as a Lieutenant for the Riverside County Sheriff's Department. In 2005, I was hired as a part-time Criminal Justice Instructor for the Palo Verde Community College where I continued to be employed until 2012.

Since my graduation from high school I have continued to further my education by taking courses at Palo Verde Community College and then obtaining a Bachelors of Science from Park University when it was associated with Palo Verde Community College. In January 2011, I received my Master's Degree in Criminal Justice from the University of Boston.

I feel I would be the best choice for the Palo Verde Community College Board of Trustees because I have a broad area of experience and expertise. I have deep roots in the Palo Verde Valley. I'm well known and have many contacts in the Palo Verde Valley as well as the Imperial Valley and Coachella Valley. I'm not afraid to work or make a decision. I have ethics and a high degree of moral character. Before Sam Burton resigned his position I had already placed my name on the ballot for the November election. I feel I would be an asset to the Board of Trustees and I would be able to help the Palo Verde College succeed and reach their goals and objectives.
